1.	. In 1886 John Pemberton, a pharmacist, decided that he wanted to invent something to become succe			
	He invented a lot of drugs, but he didn't make any money. So he decided to try in the beverage market and			
	with a recipe that is still secret today he invented the most famous drink ever. That's how			
	was born.			
2.	George and László Bíró began to work on designing new types of Bíró fitted it with a tiny ball			
	in its tip that was free to turn in a socket. As it moved along the paper, the ball rotated, picking up ink from			
	the ink cartridge and leaving it on the paper. It was 1938. That's how was			
	born.			
3.	The word originally meant head massage in several North Indian languages. Both the word and the concept			
	were introduced to Britain from colonial India. The term and service was introduced in Britain by a Bengali			
	entrepreneur Sake Dean Mahomed in 1814, when Dean, together with his Irish wife, opened a			
	bath known as 'Mahomed's Indian Vapour Baths' in Brighton, England. At the beginning			
	English hair stylists boiled shaved soap in water and added herbs to give the hair shine and fragrance. Kasey			
	Hebert was the first known maker of this product, and the origin is currently attributed to him. That is how			
	was born.			
4.	NOW WATCH THE VIDEO ANIMATED HISTORY OF COCA – COLA AND ANSWER THESE QUESTIONS:			
	1. WHEN AND WHERE WAS COCA – COLA INVENTED?			
	(OCU losla			

- 2. WHAT WAS THE NAME OF THE MAN WHO INVENTED IT?
- 3. WHAT WAS HIS JOB?
- 4. HOW MUCH WAS A GLASS OF COCA COLA?
- 5. HOW MUCH WAS A BOTTLE OF COCA COLA?
- 6. WHY WAS THE COCA COLA CONTOUR BOTTLE CREATED?
- 7. WHAT IS THE RECIPE OF COCA COLA?

5.	THINK ABOUT AN INVENTION OR A DISCOVERY YOU WOULD LIKE TO FIND OUT MORE ABOUT. SURF THE			
	NET AND TAKE NOTES ABOUT IT.
